## **Expression of Love, Beginning of a New Life**

Gajanantha Arakkattalai, with a commitment to social welfare, is engaged in the noble task of supporting newlyweds as they begin their new life. In collaboration with our sister organization, Perambalur Devarayan Gold and Diamond, we participate in auspicious wedding events at nearby temples, wholeheartedly bless the couples, and provide them with clothing as gifts.

### **Our Journey**

Through this scheme, hundreds of couples have benefited so far. Every marriage is the start of a new dream; to beautify that dream, we gift high-quality clothing to the couples, helping them begin their new life with joy.

### **Our Objectives**

Celebrating the sacred event of marriage  
Supporting economically disadvantaged couples  
Spreading love and unity in society

### **How to Participate in the Mother's Home Gifting Scheme?**

Couples wishing to benefit from our scheme (only in Perambalur city) or wedding event organizers can contact us directly. Eligible individuals will be provided with clothing and support.
